

Prague, April , 2009

To the members of the CREST and the Joint "Research/Atomic Questions" Working Party

Dear Colleagues,

It is my honour to invite you, on behalf of the Czech Presidency, to attend the meetings of the CREST and the Joint "Research/Atomic Questions" Working Party on 11 and 12 June 2009. These meetings will be held in the Prague Congress Centre, Czech Republic.

The event will start on 10 June by a dinner in the historical building of the still active Minorite Monastery. As part of the program, you will also visit the research infrastructures Tokamak Compass-D and PALS (Prague Asterix Laser System) and the brewery Velkopopovický kozel. I believe you will appreciate all three sites of (not only) scientific interest.

Please find enclosed the draft programme and necessary logistic information.

I look forward to seeing you in Prague.

Yours sincerely,

Jan Marek
Director of the Dept. of Intl. Cooperation in R&D
