A SEE project example :

PAIRS (Effective Programmes for the Active Integration / Inclusion of the Roma in South- East Europe)

Objectives:

- Collecting good examples of sectorial and local policies serving effective inclusion of Roma communities
- Providing a platform for exchange of knowledge and expertise to facilitate the inclusion of Roma minorities

Project team: 11 partners from 5 member states, 2 IPA countries and 1 ENPI country

Project results:

- Analysis of existing good practices/methods of integration
- Transfer of good practices to local/national level through action plans
- Policy recommendation on desirable orientation of funding programmes 2014-2020
- Establishment of the PAIRS network for knowledge exchange and dialogue
