**SCIENTIFIC AND TECHNICAL RESEARCH COMMITTEE AND
JOINT RESEARCH/ATOMIC QUESTIONS WORKING PARTY**

***Prague, Czech Republic
10-12 June 2009***

Prague Congress Centre

Logistic information

Date and venue of the meeting

11 – 12 June, 2009, **Prague Congress Centre**, Vyšehrad, Entrance **No. 10** – the main entrance from the south of the building. The metro station: **Vyšehrad, line C**. See map – GPS 50°3'41.793' N, 14°25'43.543' E.

Registration

The registration will be open from May 1st. The CREST/WP Members have to register not later than 4 June 2009. The accreditation for the meeting will take place both in the hotels and at the registration desk in the entrance of the Congress Centre.

The meeting is accessible for the CREST and RESEARCH/ATOMIC QUESTIONS WORKING PARTY members and the invited guests only.

Accommodation

The official on-line booking form for the accommodation is a part of the accreditation form and is opened from 23 April till 4 June 2009. Hotel rooms in several Prague hotels have been pre-booked at special meeting prices. Only these hotels will benefit from the logistics service during these two days of conference.

Accompanying persons

No special programme is organized for accompanying persons. However, accompanying persons are invited to take a part in the social events and tours organized by the Czech Presidency.

Interpretation

The working language of the meetings will be English. No interpretation will be provided.

Internet connection

Free WIFI connection will be at the disposal of the participants, the username and password will be available on the working tables.

Transport

The Presidency will provide (i) transport from the airport to the hotels on 10 June at 16.00 and at 18.00, (ii) transport between hotels and the meeting venue, (iii) transport to and from the social events and (iv) transport to the airport after the end of meetings on Friday 12 June.

In case you travel to your hotel individually, you can use taxi (price to the metro station Dejvická approximately 600 CZK) or public transport to the metro station Dejvická, line A – Bus No. 119.

Tours

Both groups (CREST and Joint AQG/RWG) will have separately organized visits of research infrastructures:

The **Tokamak Compass-D** has been installed in Prague in the Institute of Plasma Physics AS CR, v.v.i. It has been brought in the operation recently.

The **Prague Asterix Laser System (PALS)** is a laboratory for experimental research in the field of high-power lasers and their applications, notably in the physics of laser plasmas. It became operational in spring 2000.

The **Brewery Velkopopovický Kozel** was founded in the year 1874, when the first beer brew was made. It is based in Velké Popovice, a small Czech town located close to Prague. The Brewery produces a wide variety of beers.

Social events

A welcome dinner will be held on 10 June at the Minorite Monastery in the old historical part of Prague. The dinner starts at 19.30.

On 11 June all delegates are invited to a gala dinner held in the National House of Vinohrady from 19.30.
