EUREKA PROJECT FORM

(public document)

To obtain EUREKA status the form must be co-signed by at least two participants from different EUREKA member countries, before the meeting of the EUREKA High Level Group in which the assignment of EUREKA status to the project will be discussed.

When a project already obtained EUREKA status, other interested organisations can officially be recognised as participants when they satisfy EUREKA criteria and after they have co-signed this form.

The participants signing below intend to co-operate within the project as described in this form with the aim realising the technical developments as set forth under point 2 and formally apply for EUREKA status to this project. In addition the participants have or intend to put in place, a formal collaboration agreement.

They undertake to provide their respective National EUREKA Office with updates of this form whenever significant change occurs, or at least once a year as well as a brief final report when finishing the project. They also agree to provide information on the exploitation of project results on a periodic basis.

They agree to include in any project related PR material, the EUREKA logo, the EUREKA number and acronym of the project.
